BIOGRAPHY

Emma is a first-year student who recently got her G1 license. She wants to pass her G2 test within the year so she can drive to school and work. Emma prefers apps that are quick, affordable, and easy to use.

MOTIVATIONS

- Wants independence and mobility
- Needs affordable, nearby instructors
- Prefers verified instructors for safety

GOALS

- Book lessons without phone calls
- Compare instructors based on reviews and rates
- Prepare for G2 with mock tests

FRUSTRATIONS

- Confusing process to find licensed instructors
- Wasting time calling multiple schools
- No central place to read reliable reviews

USER STORIES

As a student, I want to search for instructors by location and rating so that I can find someone near me and trustworthy

As a student, I want to book lessons directly through the app so that I don't have to make phone calls.

As a student, I want to take mock driving theory tests so that I can prepare for my G2 exam.

BIOGRAPHY

David is an experienced instructor who left a large driving school to work independently. He wants more students without having to spend heavily on advertising. He values credibility and time management.

MOTIVATIONS

- Wants steady student flow
- Prefers verified platform to show his legitimacy
- Appreciates tools to manage scheduling efficiently

GOALS

- Showcase his skills and experience
- Receive positive student reviews to attract more learners
- Avoid no-shows and double-bookings

FRUSTRATIONS

- Constant cancellations without notice
- No centralized platform to market services
- Students questioning his legitimacy despite certifications

USER STORIES

As an instructor, I want to upload my license and certification documents so that I can be verified on the platform.

As an instructor, I want to manage my availability calendar so that students can only book at times I am free

As an instructor, I want to receive student reviews after each lesson so that I can build my reputation and attract more learners.

FABIAN TODOR

BIOGRAPHY

Fabian is responsible for keeping DriveTree safe, fair, and functional. He verifies instructors, manages disputes, and ensures students and instructors both trust the platform.

MOTIVATIONS

- Maintain platform credibility
- Provide fast verification service
- Keep students safe from fraud

GOALS

- Ensure only certified instructors are listed
- Remove inappropriate or fake reviews
- Handle disputes fairly and efficiently

FRUSTRATIONS

- Reviewing fake or incomplete documents
- Complaints about instructors with low ratings
- Pressure to process verification quickly

USER STORIES

As an admin, I want to review and verify instructor documents so that only legitimate instructors are approved.

As an admin, I want to monitor reviews so that I can remove fake or inappropriate feedback.

As an admin, I want to access a dashboard so that I can manage verification, approvals, and reported issues efficiently.
